

Kindergarten Suggested Supplies:

With your help, the kindergarten teachers would like to make individual supply kits for all kindergarten students to avoid unnecessary sharing of germs. In years past, supplies have been shared by all students. By purchasing an item or two off of the [amazon wish list](#), the supplies will be sent to Hill-Roberts, and we will be able to put together supply pouches for every student. This eliminates students lugging in supplies on the first day of school and saves you from having to buy each individual item on the list.

If all items on the wish list have been purchased, or you wish to purchase items in-store rather than online, here is a list of other items we use frequently in kindergarten. Thank you for helping us to adapt to the changes we must make to keep everyone safe and healthy in the 2020-2021 school year. We look forward to meeting you in the Fall!

- Hand sanitizer
